
Douarnenez VR Crack Graphics Fix

Download -->-->--> <http://bit.ly/2JXKYJd>

About This Software

Douarnenez VR offers you to visit:

- 1) The whole **Plomarc'h Pella**, an ancient site of salted sardines, used in Roman times for the preparation of garum.
Discover the **archaeological site** as it is now and travel to Roman times to see the reconstructed building.
- 2) The Norwegian galleon **Anna Rosa**, a boat built in 1893, used for the trade of roe and dried cod.
Manipulate the different boat's parts and change the scale view size.

=> What about real reality?

- Anna Rosa is one of the 4 visitable boats of the Port-museum of Douarnenez (Place de L'Enfer, 29100 Douarnenez, France).
- The archaeological site of Plomarc'h is accessible every day (Rue des Plomarc'h, 29100 Douarnenez, France).
